GCCF JUDGING PROGRAMME

GCCF trained judges are greatly respected throughout the world and the whole premise of this training programme is to ensure that GCCF judges remain so while also adapting to the needs engendered by the ever-changing world in the twenty first century.

1 - PROGRAMME OUTLINES

- a) There shall be one unified programme for the appointment of Stewards and Judges applied throughout.
- b) It shall be open and fair to all who participate and operate within identified procedures.
- c) The programme shall be administered by the relevant JPG in conjunction with Breed Advisory Committees (BACs) and Guild of GCCF Judges and Stewards (herein referred to as the Guild).
- d) The programme will provide the 'core' constitutions for both the JPGs and BACs to operate within and the rules of procedure by which all training is governed.
- e) It shall clearly define all requirements expected from applicants and provide them with guidance and assessment of progress.
- f) It must be understood that entry into and progression through the programme does not guarantee that a candidate will eventually be promoted to Full Judge of the chosen Judge Progression Group breeds.
- g) The appointment and dismissal of judges are the prerogative of a JPG and validated by Council to all Judge Progression Group or Specialist Judge lists. This applies to all breeds currently or recognised in the future by the GCCF.
- h) Where a new breed of new breed type or of new hair type of an existing breed type has Preliminary status, all GCCF Full Judges on at least one list, who will be Full or Junior Judges already qualified to work in the section in which the new breed has been allocated, are to be appointed onto the breeds list of judges as a Full Judge. (Judges may opt out from accepting any such appointment.) GCCF rules, Section 1: 43: e
- i) Applications will only be considered for the appointment and removal of judges to/from a Judge Progression Group list from the relevant JPG.
- j) Any judge who does not wish or is unable to undertake any further judging engagements at any time may request that their names be placed upon the Retired List for any one or all of the Judge Progression Group Lists of which they are Full Judges. Such a change of status shall be permanent.

- k) A judge may apply to be placed upon the Emeritus List for all of the Judge Progression Group breeds of which they are a Full Judge. This shall be taken as an indication that, although not generally available to judge those Judge Progression Group breeds, they may accept engagements for occasional shows, or that they are unable to accept engagements in the immediate future.
- l) Judges are listed as Breed (Specialist) Judges if they are Full Judges of one or more breeds within a Breed List but were not promoted to Full Judge of all breeds within an Judge Progression Group List when the new training programme was applied.
- m) Any Full, Breed (Specialist) or Emeritus Judge who has not judged during the previous five-year period will be contacted by the relevant JPG to ascertain whether or not they wish to remain on the list. If there is no response, the judge will be deemed to be retired and recorded as such by request from the relevant JPGs.

2 - CONSTITUTION FOR JUDGE PROGRESSION GROUP COMMITTEES

- a) There will be only one Judge Progression Group per Imperial or Grand class. All JPGs stand-alone from any of their constituent BACs.
- b) In the event of Imperial or Grand Groups being unable to form or sustain an effective working JPG, the JPG must approach the Board for assistance to resolve the issues. This must be done at the earliest opportunity and no later than twenty-eight days after the issue is raised.
- c) A JPG exists to monitor the training and performance of all Full Judges and Student/Junior judges of breeds within its group. It must ensure that appropriate advice is given to them via the aegis of relevant input from the constituent BAC(s) Delegate/s to the JPG.
- d) Judge Progression Groups will consist of delegate/s of the relevant BACs catering for breeds included in the Judge Progression Group list.
- e) Judge Progression Group members must welcome and respect their fellow delegate/s input on candidates at JPG meetings. The approved delegate/s must be able to confidently put forward their BACs advice/concerns in all matters pertaining to judges of the Judge Progression Group to the other Judge Progression Group breed delegates. It is recommended that such delegates are well versed in all matters pertaining to the GCCF with special emphasis on show procedures and judge participation.
- f) A JPG is the forum for discussion between its constituent BACs. The BAC delegates, who shall be appointed by the BAC, must represent the views of their BAC to the JPG. In order to do so JPG delegates must be BAC members. Delegates are not to be mandated by their BAC since any discussion during the JPG meeting must be taken into consideration when voting. A delegate can only be such for one BAC at any given meeting.
- g) Once a JPG has been formed, no other group will be recognised as the advisory/recommending body for the judges within it. Should any of the BACs involved be unable to participate in the business meetings of the JPG then that BAC will forfeit its right to participate in the decision-making process concerning any judges within that JPG.
- h) Judge Progression Groups, via the approved BAC delegate/s, must liaise with the BAC for the breed/s in the group in regard to any unforeseen issues pertaining to Student/Junior/Full or Specialist Judges.
- i) Judge Progression Groups must liaise with constituent BACs to provide joint seminars, primarily for all breeds within Judge Progression Group and, if feasible, cross-section seminars.

- g) In the case of JPGs with four or more participating constituent BACs, each BAC shall have no more than two delegates.
- h) In the case of JPGs with two or three participating constituent BACs, each BAC shall have no less than two delegates and no more than three.
- i) Any constituent BAC which fails to be represented at a meeting of the JPG without sufficient warning or justifiable reason - and thereby renders the meeting inquorate - shall automatically forfeit membership of the relevant JPG for a period of one year.
NB: In the case of a two BAC JPG this means that JPG meetings held during this period would be conducted by the remaining BAC. JPG (_____) will have (___) delegates per BAC.
- j) No delegate shall attend a JPG meeting at which his/her own application for promotion to SJ/JJ/FJ or that of a member of his/her household or family member is to be considered.

- d) In the event of equality of votes for any office, the result shall be determined by lot.
- e) The Chairman and Secretary must have "presence", sound knowledge of the Cat Fancy, the GCCF and its Rules and Procedures, and should be familiar with the show world and have a reputation for principle and impartiality. They need not be members of any constituent clubs nor need they have any direct connection with the JPG breeds.

- b) The dates and agendas for all meetings, together with all paperwork relating to agenda items (unless already circulated) will be circulated by the JPG Secretary the Secretary of each constituent BAC. **It is the BAC Secretary's responsibility to circulate these to the secretaries of the BAC's constituent club/s.** Paperwork received after the circulation date which is relevant to a candidate's progress and/or application being considered at the next JPG meeting may be circulated after that date or tabled at the meeting for the consideration. All such paperwork will be sent electronically.

- f) A constituent BAC may submit, in writing, to the JPG Secretary, matters relating to Full and Pupil Judges on the JPG Breed List, to be included on meeting agendas. If a constituent BAC delegate is not present at a meeting, any item submitted solely by that BAC may be deferred.
- g) All matters relating to the promotion of judges shall require a ballot. Ballots will be held electronically. Votes are to be sent directly to the Chair or other independent person, or via a poll system if available, as agreed by the JPG. Other matters may be decided by show of hands. The chair will have the casting vote in the event of a tied delegates vote.
- h) The quorum for a meeting of the JPG shall be as follows:

- i) In the case of JPGs, all active BACs have the right to be represented at a meeting. For JPGs with three or more BACs, the delegates present at the meeting must represent at least two-thirds of the participating constituent BACs.
- j) In the case of a two breed JPG then it is preferable that the quorum is a cross section of representation of the breeds but a minimum of three delegates from either constitutes the quorum.
- k) If a JPG meeting is cancelled or abandoned for lack of a quorum or lack of an essential officer, a new date, which shall be within four weeks, shall be set for that meeting.

2:6 - CIRCULATION OF DOCUMENTS

- a) All Application Forms, Show Reports of all breeds, Veterinary Assessment Forms, Student/Junior Judge Tutorial, Progress in Learning, Final Assessment Forms received and any relevant correspondence from candidates will be circulated by the JPG Secretary to the Secretaries of the constituent BACs. - e) Seminars, if not held within a GCCF show, must conform to the same veterinary rules as GCCF shows with respect to health checks, rejections etc. Permission must be sought from the GCCF Office by the JPG to hold a seminar on a specific date. Permission for up to 25 cats may be granted automatically by the GCCF Office; greater numbers require the permission of the Board and therefore time should be allowed for such an application.
- f) All JPGs, in conjunction with their constituent BACs, should actively pursue the provision of virtual webinars. These should be recorded where possible and should be available to view via the GCCF website.

2:8 - COMPLAINTS/APEALS PROCESS

- b) The right of appeal, in the first instance, shall be via the Investigations Committee (IC)/Disciplinary Committee (DC) Secretary to the Appeals Committee (AC), who will attempt to facilitate negotiations between the parties to bring about resolution of the dispute in accordance with Byelaw 11(7).
- c) Prior to referring a dispute to the AC, the parties must make every effort to resolve the matter between them.
- d) The Appeals Process is not intended to be protracted, confrontational or to follow the format of the IC/DC Process and as such the JPG/BAC and judge are not to be viewed as on opposing sides. AC may seek guidance on the interpretation of the rules or Accelerated Scheme document from the Judges Appointment Scheme Review Group or Board of Directors.
- e) No fee is charged for the Appeals Process.
- f) In order to keep costs to a minimum and to avoid a protracted process, there will be no face-to-face meetings with the parties. All communication with the parties will be by email, all submissions must be written and the AC will conduct the matter via email and online meetings between themselves.
- g) On receipt of an appeal, the AC shall inform the relevant JPG/BAC of the appeal and set a timetable for the disclosure of information in support by each party so that both parties have the opportunity to put their case forward. The aim is for a fast turnaround with disputes resolved by the AC within 8-10 weeks from receipt of the appeal.
- h) In the event that the AC is unable to achieve resolution of the dispute, or if the AC finds that the JPG/BAC is failing to support the candidate adequately, or making demands for additional training without supplying any justifiable reason, then the AC shall refer the matter to the Board, who will appoint a panel of 5 Judges who will, if necessary, complete the Appellant's training and determine promotion in place of the JPG/BAC.
- i) The decision of the Panel of Judges shall be final and binding to prevent the process being protracted.

- c) Clubs catering for a new breed must set up a BAC, the constitution of which must be agreed by the Board. Any future application of that breed to Championship status depends on that fact (rule 1: 46). The Board will allocate the breed to the appropriate Judge Progression Group under whose aegis it will educate and advise judges of the breed.
- d) A BAC exists to work in the interests of the cats of its breed list by reviewing both its Registration, Breeding policies and Standard of Points and amending them if and when required, with due consideration to the health and future of the breed(s). It is the sole responsibility of the BAC to review and revise all such documentation.
- e) A BAC monitors the training and performance of the judges within its list and candidates within the scheme, and ensures that appropriate advice is given to them via the aegis of the relevant JPG.
- f) A BAC must appoint a delegate/s to represent it at JPG meetings. The approved delegate/s must be able to confidently put forward the BAC's advice/concerns in all matters pertaining to judges of the Judge Progression Group to the other breed delegates of the JPG. It is recommended that such delegates are well versed in GCCF procedures and processes pertaining to breeding, showing, stewarding or judging. - g) Breed Advisory Committees will consist of representatives of the Breed Clubs (with membership of the GCCF), catering for breeds included in the breed list.
- h) A BAC is the forum for discussion between its constituent clubs. The club representatives, who shall be appointed according to the rules of their respective clubs, must represent the views of their Club Committee to the BAC. In order to do so it is desirable that representatives are Committee members or attend Club Committee meetings. Representatives must not be mandated by their club since any discussion during the meeting must be taken into consideration when voting. Any decision as to the extent of consultation with the individual club members is the responsibility of the Club Committee.
- i) Once a BAC has been formed and approved by the Board, no other group will be recognised as the advisory/recommending body to Council for all issues pertaining to the breed other than judge promotion for the breed(s) concerned. - k) Breed Advisory Committees may be combined to form Joint BACs, either where the breeds covered are of the same breed type but of differing coat pattern or length, or where the BACs have constituent clubs in common. The breed judge lists will not be combined and only the constituent clubs of the relevant individual BAC may vote on matters specific to the BAC breeds or judges.
- l) Breed Advisory Committees covering breeds of the same basic type should liaise over proposals to amend Standards of Points or Registration and Breeding Policies.
- m) Judge Progression Group BACs should liaise with each other within JPG meetings and aim to hold joint seminars for all breeds within an Imperial/Grand Group, and, if applicable, partake in cross section seminars.
- n) The constitution of each BAC must adhere to the core Constitution, without additional clauses. Allowance for some variations is written into the core Constitution to take account of the varying numbers of constituent clubs and varying workloads of different BACs.
- o) All BACs are expected to hold all meetings electronically. **Should the members choose to continue to hold face-to-face meetings', the BAC will charge the constituent clubs an annual levy as determined by the BAC treasurer. This will only be applicable if a BAC opts to continue with face-to-face meetings.**
- p) Allowance is made for some variation on club representation:
 - 1. In the case of BACs or Joint BACs with ten or more participating constituent clubs each club shall have one representative.
 - 2. In the case of BACs or Joint BACs with five or more participating constituent clubs each club may have up to two representatives.
 - 3. In the case of BACs or Joint BACs with two or four participating constituent clubs the BAC may have three or four representatives per club such that the total number of representatives shall be not less than 6.
 - 4. In the case of BACs with only a single constituent club the Club Committee shall constitute the BAC. The BAC may invite anyone whom has specialist expertise with the breed(s) to join the BAC meetings as required.

3:2 - MEMBERSHIP

- a) A BAC Committee will be composed of representatives of all breed clubs (with membership of GCCF) catering for breeds within the breed list of that BAC.
- b) All clubs eligible for membership will automatically have the right to participate.
- c) Any eligible club whose membership is approved during the calendar year shall be entitled to send representatives to the next meeting of the BAC and shall be entitled to receive paperwork circulated since the start of the calendar year, to enable them to participate fully in discussion at the next meeting. Alternatively, the club may choose to delay membership of the BAC until the following January 1st.

- d) Any club which does not wish to participate fully in the BAC may elect to be an Associate Member. Any such club will receive only agendas and minutes and may make written representation upon any matter under discussion but will have no vote. Any such club will forfeit its right to make proposals to Council on matters which are the sole prerogatives of BACs but will not, however, lose its right to speak on any such proposal in Council.
 - e) Each participating constituent club shall have equal representation. It is the responsibility of representatives to make themselves aware of matters pertaining to the breeds catered for by their BAC and the candidates within JPG, to represent the views of their club committee to the BAC and to represent the views of the BAC to their club committee.
 - f) In the case of BACs or Joint BACs with ten or more participating constituent clubs each club shall have one representative.
 - g) In the case of BACs or Joint BACs with five or more participating constituent clubs each club may have two representatives.

 - i) In the case of BACs with only a single constituent club the Club Committee shall constitute the BAC.
 - j) Where BACs meet together as a Joint BAC the clubs shall still send only the permitted number of club representatives, who shall represent their club on each relevant breed within the Joint BAC.
 - k) In the case of BACs with more than one constituent Club, all representatives must have had a minimum of one year's membership of a club catering for the BAC breed(s). At least 50% of the representatives of each constituent Club must have had a minimum of two years current active involvement (i.e. breeding, showing, stewarding or judging) with the BAC breed(s) or have had at least five consecutive years of active involvement with the breed even if not currently breeding, exhibiting or judging.
 - l) Any constituent club which fails to be represented at a meeting of the BAC, without sufficient warning or justifiable reason, and thereby renders the meeting inquorate shall automatically forfeit membership of the relevant BAC for a period of one year.
- N.B. In the case of a two club BAC this means that BAC meetings held during this period would be conducted by the committee of the remaining club.*
- m) No Junior Judge, Student Judge or Steward within the JPG Scheme shall be present at a BAC meeting during any discussion of their progress within this Scheme.
